ABOUT MY HAPPY SHIRTS:

Welcome to My Happy Shirts, it is great to meet you. You may or may not already know My Happy Shirts are no ordinary t-shirts; since they are more than just shirts representing things that make you happy. For example, did you know for every shirt purchased, we also give a new shirt to a child in need throughout the world? It is our **Get a Shirt, Give a Shirt** Program. We think it's pretty awesome, but we are always happy to tell you more about us if you have questions.

It is our hope that this fundraising program will help you and your organization not only raise support for yourselves, but also helps us provide much needed clothing and other resources for children living in extreme poverty and many without families.

Founded in 2005, My Happy Shirts desires to be a company that makes a difference. We are currently working in Africa providing orphans with new shirts you bought or helped to sell. We also partner with other organizations to create a network of giving and to also support specific feeding and clean water projects in other regions worldwide.

So it is our hope that your "My Happy" shirt will become your favorite shirt for this reason. Thank you for taking the time to get to know us and learn more about our giving. None of this would be possible without you, our **AMAZING** customers. If you would still like to learn more about us, or to receive more information about other opportunities you can be part of, go to our website www.myhappyshirts.com or email us at HappyGuy@myhappyshirts.com
